Decanter - Richard Mayson
12.2020

“**Resplendent** with its pale amber-tawny hue and just a glint of orange; appetising savoury aromas of lightly toasted almonds and slightly caramelised, mellifluous fruit; **fine and delicate**, super-suave with that beautifully melded savoury-sweet fruit (**the hallmark of great tawny**) and an **incredibly long, fresh, elegant finish**. Finely and perfectly poised.”
