Vineyard & Viticulture Practice

Sorani Primitivo Cabernet Sauvignon is made from Primitivo and Cabernet Sauvignon grown in the vineyards of Masseria Surani, in the Salento region of Puglia. The vines are Guyot-trained, with limestone-based soils rich in iron. The blend combines Primitivo's ripe southern Italian fruit and generosity with Cabernet Sauvignon's structure and savoury detail, giving a fresh, versatile red from the Masseria Surani estate.

Vinification

Fermentation takes place in stainless steel vats at controlled temperature for 12 to 15 days, with frequent pumping over of the must to support extraction, colour and structure. The wine then matures for six months in oak casks, adding texture and gentle complexity while preserving the freshness and fruit character of the blend.

Tasting Notes

Bright ruby red in colour. The nose is intensely fruity, with cherry, blackberry and plum, followed by a lightly spicy note. The palate is enveloping and full-flavoured, with ripe fruit, smooth texture and a pleasant lightness that keeps the wine fresh and approachable. Medium-bodied and versatile, it balances fruit generosity with savoury detail. The finish is fresh, gently spiced and persistent.

Food Pairing

Pair with pizza, first courses with white meat or vegetables, fresh cheeses, tomato pasta, roast chicken, grilled vegetables, charcuterie or casual Italian sharing dishes.
