Vintage Notes

The 2021 season started with a cold spring snap and frost on 7 and 8 April damaged some developed buds, particularly Sangiovese, Vermentino and Syrah, reducing fruiting in some areas. From May, vines recovered with favourable bud development and flowering. July and August brought heat, before 28mm of rain on 24 August restored diurnal range and supported final ripening.

Vinification

Cabernet Franc was hand-picked on 12 September, followed by Cabernet Sauvignon from 22 September. Fermentation took place at 28 to 30°C, with 16 days of maceration to build structure, colour and depth. The wine was aged for 18 months in small 225-litre French oak barrels, 70% new, followed by four months of finishing in concrete tanks. It was bottled in May 2024, combining oak-aged complexity with concrete-refined balance.

Tasting Notes

Belguardo Tenuta 2021 is full-bodied and seductive, with dark spice aromas and a deep, enveloping profile. The palate is structured and polished, showing ripe dark fruit, savoury spice and well-integrated oak. Its texture is broad and composed, supported by the concentration and phenolic balance of the vintage. The finish is long, smooth and persistent, with dark fruit, spice and refined Tuscan coastal character carrying through.

Food Pairing

Pair with aged cold cuts, grilled steak, roast lamb, mildly spiced dishes, middle-aged cheeses, braised beef, mushroom ragù, venison or chargrilled vegetables.
